# About the Artist

**Hi!! I'm Robin and I've been porcelain painting for three years. I've been doing art since I was three when I first fell in love with it. I have experience in porcelain, ceramics, oil painting, woodburning, and just about anything else you can imagine.**

**My classes are for beginners from five to 95+! I believe it's never too late to start painting. Whether you've been painting since three like me or have never picked a brush up, come learn with me at the museum!**
