

SUPPLY LIST FOR BIRD OF PARADISE

By Angie Matte

Instructions and drawing will be for an 8 x 10 tile. You may paint on anything you want, but a flat piece is preferable.

Regular palette plus Apricot Orange or Golden Red and Pompadour. Note that Apricot Orange and Golden Red fire about the same so only one of the colors is needed. The Apricot Orange used is Kay Knapp's K026 and Golden Red is Hulda's Studio (no longer available) and Pompadour (Willowby's #1). For my leaves, use all the shades of green from dark to light and you may want to add the blue greens too.

For brushes, a large flat shader (3/4") and some smaller ones and also a #5 liner brush that is a little thicker than the average liner brush.

Any open medium will work.
