

**Trace the design onto**

**Porcelain ADD to nest on right or left**

**as needed for shape of porcelain**

**Select your babies face.**

**Pay attention to the profile  
view and size to match your  
porcelain design.**

**Trace the facial features**

**into the design**

Use **Dark Brown** to paint or penwork on the nest

Select a **Yellow Gold** for the brass jingle Bells in the nest.

Choose a **Light Brown** for the hat

Flowers - **Light Blue** with **Yellow** center

Skin - Select a **light , medium and dark Red**

Paint the face and match the eye color of your child with blue or brown eyes

Always paint the eyes first to get correct placement.

Add the sky with a **Blue Shadow Gray** signifying night time.

ADD a **YELLOW SPOTS** IN SKY FOR STARS OR LIGHTENING BUGS

## 2nd Fire

deepen outline of eyes with **dark Brown**  
deepen color on lips

Add Harry Potter design to hat with  
**Dark Brown**

Add depth of color to bells with a Gold yellow  
Add a Light Brown to the nest design

Use a **light Green** on leaves

## 3rd fire

Add another layer to sky **shadow blue gray**

add shading to skin with medium and dark  
red as needed

Shade the nest under the left arm  
with a dark Brown

## 4th Fire

Deepen the yellow gold on the stars or  
fireflies in the sky

Put another layer of skin colors on.

Use raised paste or relief on the brass bells  
to turn them into the wings  
of the Harry Potter snitches

Change it.....Make it yours.
